There are a few rules!

1. Any photos with people in them will need to come with extra written consent from those concerned.
2. Written pieces of work should be no more than 500 words.
3. It must be all your own work (or have the consent of the author to share)
4. Don't include anything political or which may cause offence.

We look forward to hearing from you and sharing our positive memories of this time together.

Throughout the Coronavirus Pandemic and our time of lockdown, we have been so inspired by the many stories of hope and the tales of community spirit.

Walking around our villages, it has been amazing to see the beautiful window displays that people have put up.

This has inspired us to put together a collection of the things we have seen and experienced which have brought hope and joy to others at this time and may be a continued source of inspiration to many for the future.

*No amount of darkness
can put out the light of the smallest candle.
Even when life is hard,
we can still shine.*

We would like to invite you to take part in our community scrapbook by sending in something that has brought hope and joy to you at this difficult time.

Initially, all entries will be displayed on our Benefice website for people to view as they wish. We hope that in the future we will be able to put them into a booklet or into a display in our Church buildings for people to see.

Your entries could include:

- A photo of your window display
- A photo you have taken
- A picture or drawing you have done during this time
- A short story, memory, or reflection (A story that may bring hope or make people smile, tales of community spirit and acts of kindness, or writings of new things you have seen and experienced during this time).
- A poem you have written
- A piece of school work
- Anything creative that can be displayed on a website or in a booklet.

We would like to invite people of all ages to join in with our scrapbook so that we can collect as many different stories and pictures of hope that come from within our communities.
